Section 1 Chapter 1

Standard Operating Procedures

Drafted: February 7, 2000

Reviewed: September 2025

Revised: January 2019

PURPOSE:

To ensure uniform daily operation of the Todd Road Jail Facility and to establish procedures for an annual review, and subsequent dissemination of new and/or revised Standard Operating Procedures. This policy also establishes guidelines for the formation of a Policy Review Committee and describes the function of that committee.

POLICY:

It is the policy of the Todd Road Jail to maintain Standard Operating Procedures that address the facility's unique layout, population and programs. The policy shall be reviewed annually by a committee designated by the Facility Manager.

PROCEDURES:

I. POLICY REVIEW COMMITTEE

- A. The Todd Road Facility Manager shall designate a committee to review the Standard Operating Procedures currently in effect. The committee will revise or update those procedures based on newly established laws and operational changes. The committee will be made up of a minimum of 4 members, with at least one member from each of the following ranks:
 - 1. Sheriff Services Technician
 - 2. Sheriff Deputy
 - 3. Sheriff Senior Deputy
 - 4. Sheriff Sergeant
- B. The committee shall be chaired by the Facility Manager or his designee, and shall be known as the Standard Operating Procedures Review Committee. The committee shall meet as directed by the chairperson during each year for the purpose of reviewing the facility Standard Operating Procedures Manual.

II. STANDARD OPERATING PROCEDURES REVIEW

- A. At the direction of the Chairperson, the committee will examine and assess existing policies and procedures to determine the appropriateness of each policy or procedure. The committee will develop recommendations for changes or additions as needed. The review will also assess facility operations and compliance with Federal, State, and Local regulations.
- B. Responsibility for the annual review rests with the Facility Manager. A report of the review will be submitted to the Facility Manager and will include:
 - 1. General needs assessment for policy revision
 - 2. Identify specific problem areas
 - 3. Develop solutions and propose policy revisions
- C. Policy and Procedure Assessment Guidelines:
 - 1. Is the procedure or policy mandated by Law?
 - 2. Is there a potential for liability by the County?
 - 3. Is there existing Facility Policy?
 - 4. Are there similar policies and procedures at other jail facilities?
 - 5. Are current policies and procedures consistent with other jail facilities?
 - 6. Is the procedure or policy in agreement with the Sheriff's Policy Manual?
 - 7. What is the effect of the procedure or policy on jail operations?
 - 8. Is there a need to change or amend the policy or procedure? Why?
 - 9. Do you have suggestions for changing policy or procedure?
 - 10. Have you discussed the issue with impacted staff members?
 - 11. Has there been input or suggestions from staff concerning changes?

III. APPROVAL PROCESS FOR PROPOSED POLICY/CHANGES

- A. The committee shall submit, in writing, any recommendation for changes or additions to the facility Standard Operating Procedures to the Facility Manager.
- B. Any requests for immediate changes to any policy and procedure shall also be forwarded to the Facility Manager for review.
- C. Once the final draft or revision of the Standard Operating Procedure is complete, the proposed document will be forwarded to the Facility

Manager. The Facility Manager may approve, disapprove, defer action, or revise the proposal. When the policy is approved, the Facility Manager will sign the document and initiate distribution.

Court Released Incarcerated person Property Procedures

Drafted: December 14, 2018

Reviewed: September 2025

Revised: October 1, 2019

PURPOSE:

To establish policy and procedure for the handling of incarcerated person property from incarcerated persons housed at the Todd Road Jail (TRJ) Facility when an incarcerated person is released from court.

POLICY:

When an incarcerated person from Todd Road Jail is released from court, the Housing Deputy will be responsible for removing all of the incarcerated person's property from their cell. The Housing Deputy will then be responsible for ensuring the property is taken to the Housing Senior Deputy's Office for processing and storage.

PROCEDURES

Housing Deputy's Responsibilities:

When an incarcerated person is released from court, the classification deputies will notify the Facility Sergeant, Housing Senior Deputies, Housing Control Booth and the appropriate Housing Deputies [REDACTED]

The Housing Deputy will personally retrieve the incarcerated person's property from inside the cell. Incarcerated persons should not be used to remove another incarcerated person's personal items from the cell. (Note: An incarcerated person worker or cellmate will only be used to remove mattresses and linens).

The Housing Deputy will be responsible for placing the contents of the incarcerated person's property box in a plastic bag.

The plastic bag will be clearly labeled with the following information:

- Date,
- Incarcerated person's name and
- Booking number.

The Housing Deputy will personally deliver all incarcerated person property to the Housing Senior Deputy before the end of their shift and document the delivery in the Housing Redbook.

Senior Deputy's Responsibilities:

The Housing Senior Deputy will be responsible for ensuring the Housing Deputies follow the procedure and personally retrieve incarcerated person property from the cell. The Housing Senior Deputy will enter the date of release, the incarcerated person's name, booking #, housing locator, and which deputy either collected the incarcerated person's property or checked for it, onto the Court Release Property Log which is in the Housing Senior Deputy's Office.

When accepting possession of the incarcerated person's property, the Housing Senior Deputy will verify the information on the bag, log and store the property until its released or destroyed.

The Housing Senior Deputy will store the property in the designated court release storage bins [REDACTED]

Disposition of Incarcerated person Property:

When an incarcerated person is transported to Court from Todd Road and the Court releases the incarcerated person, a Todd Road Jail Deputy will send the released incarcerated person's property to the Pre-Trial Detention Facility on the next transportation run. In most cases the incarcerated person's property will not arrive at the PTDF before the incarcerated person's Court ordered release.

When the property does not arrive prior to the incarcerated person's release or extra property is found after the incarcerated person's release, the incarcerated person has fifteen (15) days to pick up the found property. At the end of fifteen days, the property can be thrown out. The property will be marked off the handwritten log as being destroyed.

Documentation / Notification:

In the event of any lost or mishandled property, A Housing Senior Deputy will respond to Public Reception to investigate the claim, make any notifications and complete the appropriate documentation.

The Housing Senior Deputy will notify the Facility Sergeant of any lost property claims.
